

Optimiser Report

Is your current website performing to it's full potential? Does it require an overhaul?

Only \$330.00 for a professional appraisal of your existing website, based upon current search engine optimisation.

Queensland City Media will asses your existing website and provide a comprehensive written report, outlining any problems or issues with the current layout, design and optimisation structure of the site. Our approach covers all aspects of the site structure, meta key words and descriptions, the length of time that the site has been live, the target market you are hoping to reach and the overall look and feel of the site. We will also asses the site, for it's ability to convert website browsers in-to loyal customers.

What will i see in my report?

- Current results from the leading search engines, based upon the desired search key words.
- Report on the current site ranking in Google and Yahoo.
- Overall key word and key phrase appraisal.
- Optimiser recommendations and required changes or adjustments.
- Comparison of your competitors sites and ranking.
- Link popularity of your competition's sites.
- Overall link popularity of your existing site.
- List of sites we recommend you contact and request reciprocal links with.

- An unbiased opinion of the entire site structure.

This report will be available to your web developer or IT consultant for appraisal. There will be no obligation on the part of the client, although our recommendations will include an offer of our services and hosting, including alternatives to your current situation. If your existing site is not performing the way you hoped it would, then consider our Optimiser Report as an important investment in the long term success of your business. contact us for a consultation.
